Apple Seedlings.

I WISH To call your attention to my very fine stock of Apple Seedlings, grown exclusively from French seed. I have never seen a more healthy, vigorous growing lot of seedlings than these are. My ground is rich, new prairie land, and has been prepared and cultivated in the best possible manner, and I expect a very fine lot. I shall make my grades second to none, each bunch being inspected by an expert grader before being sent out, and am sure they will please you.

Will quote:—

Extra, one-fourth inch and up-----	4 50 \$5 50
No. 1, three-sixteenths inch and all up-----	4 00
No. 2, two-sixteenths to three-sixteenths inch--	2 00
No. 3, under two-sixteenths inch-----	1 00

A moderate charge will be made to cover cost of boxing.

Terms cash, unless otherwise agreed, but will give favorable terms to reliable parties on large orders. Samples sent free on application.

Apple Grafts.

I will have to offer a good lot of Apple Grafts, of all the leading varieties, put up in the most workmanlike manner, with good length of scion and root. Will put up whole root grafts to order. Write for prices. Order early to be sure to get varieties wanted.

Apple Root Grafts No. 1, per 1000-----	\$3 50
In 10,000 lots and up, per 1000-----	3 00
Apple Root Grafts No. 2, per 1000-----	3 00
In 10,000 lots and up, per 1000-----	2 50

Boxed and delivered f. o. b.

These grafts are graded with reference to diameter of root and scion.

Apple Stocks for 1893.

I am now ready to contract to grow apple seedlings for next season, and will make very low rates on large lots to parties who will contract early. There is no better soil or climate to grow healthy prime stocks than we have right here.

Strawberries—Oct. Plants.
